Chalice Lighting - Adapted from the poem ‘Remember’ by Joy Harjo

Unison

Remember the sky that you were born under.

Know each of the star’s stories.

Remember the moon.

Know who she is.

Remember the sun’s birth at dawn.

That is the strongest point of time.

Remember your birth and your mother.

You are evidence of her life, and her mother’s, and hers.

Remember your father.

He is your life, also.

Remember the earth whose skin you are.

We are earth: red, black, yellow, white, brown earth.

Remember the plants, trees, and animal life.

They are alive poems.

Remember the wind.

She knows the origin of this universe.

Remember you are all people

And all people are you.

Remember you are this universe

And this universe is you.

Thanks, Betsy Peirce, on behalf of the Care Team
